

New England Biolabs Certificate of Analysis

Product Name: 5X Q5 Reaction Buffer
Catalog Number: B9027-5X
Concentration: 5.00 X Concentrate
Lot Number: 10011738
Expiration Date: 07/2021
Storage Temperature: -20°C

5X Q5 Reaction Buffer Component List			
NEB Part Number	Component Description	Lot Number	Individual QC Result
100276	Tris Base, Ultrapure, 5kg	10005178	Pass
100274	Tetramethylammonium chloride solution, 1L	2982	Pass

This product has been tested and shown to be in compliance with all specifications.
