

New England Biolabs Certificate of Analysis

Product Name: *NEBNext[®] Microbiome DNA Enrichment Kit*
 Catalog Number: *E2612-4*
 Packaging Lot Number: *10042196*
 Expiration Date: *06/2021*
 Storage Temperature: *4°C*

NEBNext [®] Microbiome DNA Enrichment Kit Component List			
NEB Part Number	Component Description	Lot Number	Individual QC Result
E2615AAVIAL	NEBNext [®] Protein A Magnetic Beads	10042197	Pass

This product has been tested and shown to be in compliance with all specifications.
