

New England Biolabs Certificate of Analysis

Product Name: *Taq DNA Polymerase with ThermoPol[®] Buffer*
 Catalog Number: *M0267E*
 Concentration: *5,000 U/ml*
 Packaging Lot Number: *10142678*
 Expiration Date: *10/2023*
 Storage Temperature: *-20°C*

Taq DNA Polymerase with ThermoPol[®] Buffer Component List

NEB Part Number	Component Description	Lot Number	Individual QC Result
M0267X	Taq DNA Polymerase with ThermoPol [®] Buffer	10142680	Pass

This product has been tested and shown to be in compliance with all specifications.

One or more products referenced in this document may be covered by a 3rd-party trademark. Please visit www.neb.com/trademarks for additional information.
