New Lab Discount

New England Biolabs offers a one-time, 40% discount up to $5,000 in value to Principal Investigators / Senior Researchers who are starting up a new laboratory*. The New Lab Discount applies to most products carrying the NEB label (see list of exclusions below).

To be eligible for the discount, please complete the authorization form at www.neb.com/products/special-offers/new-lab-discount, then orders must be placed by phone, at 1-800-632-5227, fax at 1-800-632-7440 or email to customerservice@neb.com. When faxing or emailing your order, it must be clearly marked either “New Lab Discount – Quote # (sales order number)” or “New Biotech Discount – Quote # (sales order number)”, in order to receive the discount. For any questions, please contact newlab@neb.com.

Please note that normal shipping rates apply. Orders of $350.00 (net) and above incur no shipping charge. Orders less than $350.00 (net) incur a shipping charge of $31.00, prepaid and added to invoice. After this initial order, pricing for subsequent orders will revert to the original terms for your account.

For more information, contact newlab@neb.com, or visit www.neb.com/products/special-offers/new-lab-discount.

The New Lab Discount does not apply to the following products; we have suggested alternative products, when applicable:

* Offer, Shipping and Excluded Products List are subject to change. The $5,000 order limit refers to the discounted price and not the original list price before the 40% discount is applied. The New Lab Discount is available in the U.S. only, and only one offer is available per Principal Investigators / Senior Researchers. No minimum purchase is required to be eligible for the new lab discount and no other discounts apply.
